

# Dunganh Ung, M.D.

Anesthesiologist

## Certifications

- Diplomate, The American Board of Anesthesiology

## Licensures

- Florida State Medical License
- Arizona State Medical License

## Education

- Medical degree, University of Pittsburgh School of Medicine
- Residency, University Medical Center of Pittsburgh

## Experience

After his residency, Dr. Ung's expertise garnered him a position as an anesthesiologist at St. Vincent Health Center in Erie, Pennsylvania. He was then offered an appointment at the Richmond Community Hospital in Richmond, Virginia, where he proudly worked for the next seven years.

In 1998, Dr. Ung moved from Richmond to Tampa, Florida, where he extended his practice as an anesthesiologist at several hospitals, including Town & Country Hospital and Tampa General Hospital. At Town & Country Hospital, he was given the coveted job of Medical Director of Anesthesiology, to which he devoted himself for the next six years.
