

Jonathan R. Farrar

Executive Director, Laser Spine Institute Tampa

Experience

As a trained X-ray and MRI Technologist, a Certified Physician Assistant and an experienced senior executive, Jonathan Farrar can handle all kinds of high-pressure situations. No matter where he finds himself though, the common theme in Jonathan's diverse health care background is helping patients get the high-quality care they deserve.

In his role as Executive Director of our state-of-the-art Tampa, Florida, surgery center, Jonathan oversees all business and medical operations for the facility. Jonathan has a long history with Laser Spine Institute, originally serving as a Physician Assistant and eventually rising to Senior Vice President of Medical Operations. Although he left for a short time to pursue a new opportunity in the health care field, he's thrilled to rejoin us in his current position. His past experience with us gives him a unique understanding of our special blend of care and an ability to lead by example.

Jonathan's previous experience includes serving in senior executive roles for companies including Orthopedic Device Inc. – where he was Chief Executive Officer and President – Vasocor, Cortex Communication-Health Answers and RESCA International. He received his Bachelor of Science in medicine from the University of Florida and is certified as a diving medical officer from the National Oceanic and Atmospheric Administration.

A devoted family man, Jonathan enjoys biking, boating, and going to the beach with his wife and children. He also gets reenergized exploring the great outdoors by camping and fishing as much as he can.
